

Baby Cotton Terry Range

A soft, absorbent cotton terry surface with the waterproof Miracle Layer™ and the Expandall® fitted skirt, sized for cot and bassinet mattresses. Recognised and tested by INPAA (Infant & Nursery Products Alliance of Australia). Australian made.

Products covered

Code	Product
F0221BST0	Bassinet Mattress Protector
F0221CTS0	Standard Cot Mattress Protector
F0221CTU0	Universal Cot Mattress Protector

Warranty

2 Year Warranty.

- In the unlikely event that the product does not meet Protect-A-Bed's high standards, Sleep Corp will guarantee to the original purchaser to repair or replace the product against faulty workmanship for the guarantee period.
- Individual guarantee periods are stated on all product packaging. Guarantee periods start from the original date of purchase.
- To make a claim you must retain and present the original purchase receipt for validation.
- The benefits of this guarantee are in addition to any other rights and remedies you may have under the Australian Consumer Law.

Care instructions

Always follow the sewn-in instruction tag on your individual product in the first instance.

Hot machine washable to kill dust mites and bacteria. Tumble dry safe.

Washing

- Wash and tumble dry with other linens, as not doing so can cause blistering to the Miracle Layer®.
- Best washed before use.
- Best washed monthly or when cleaning other linens.
- Please DO NOT use solvents, bleach, bleach alternatives, non-chlorine bleach, or bleach by-products in the detergent, as this will damage the polyurethane backing.
- Wash at 60°C to kill bacteria and dust mites.

Drying

- Line dry your protector over a washing line span to maximise airflow and reduce drying time.
- When machine drying, tumble with other bed linen or towels in a medium setting. Dry at 60°C for best results.
- Careful drying will prevent blistering of the polyurethane backing. If blisters form from overheating, please discontinue using the protector as these blisters will split and result in loss of waterproofing ability and possible voiding of any valid product warranty.

Storing

- Your protector is best stored with other linen in a cool, dry cupboard.
- Check that the protectors are thoroughly dry before folding and putting them away.
- When handling your protector, take care not to damage the waterproofing in anything sharp.

Making a claim

- Contact the Sleep Corp Service Centre: clientservices@sleepcorp.com.au or **1300 857 123**.
- Provide your full name, address and details of the issue, together with your original purchase receipt.
- You can also register your warranty online at www.protectabed.com.au.
