# NOTICE BEFORE ASSEMBLING

We suggest you spend five minutes reading through this short notice before assembling and then follow the instructions step by step.

Point 1: Before assembling , please ensure that you have checked the contents for all relevant parts and counted all metal fittings quantities are correct according with our assembling instruction paper. If you find any accessories quantities are not correct, please kindly stop assembling it at once and take photos back to us.

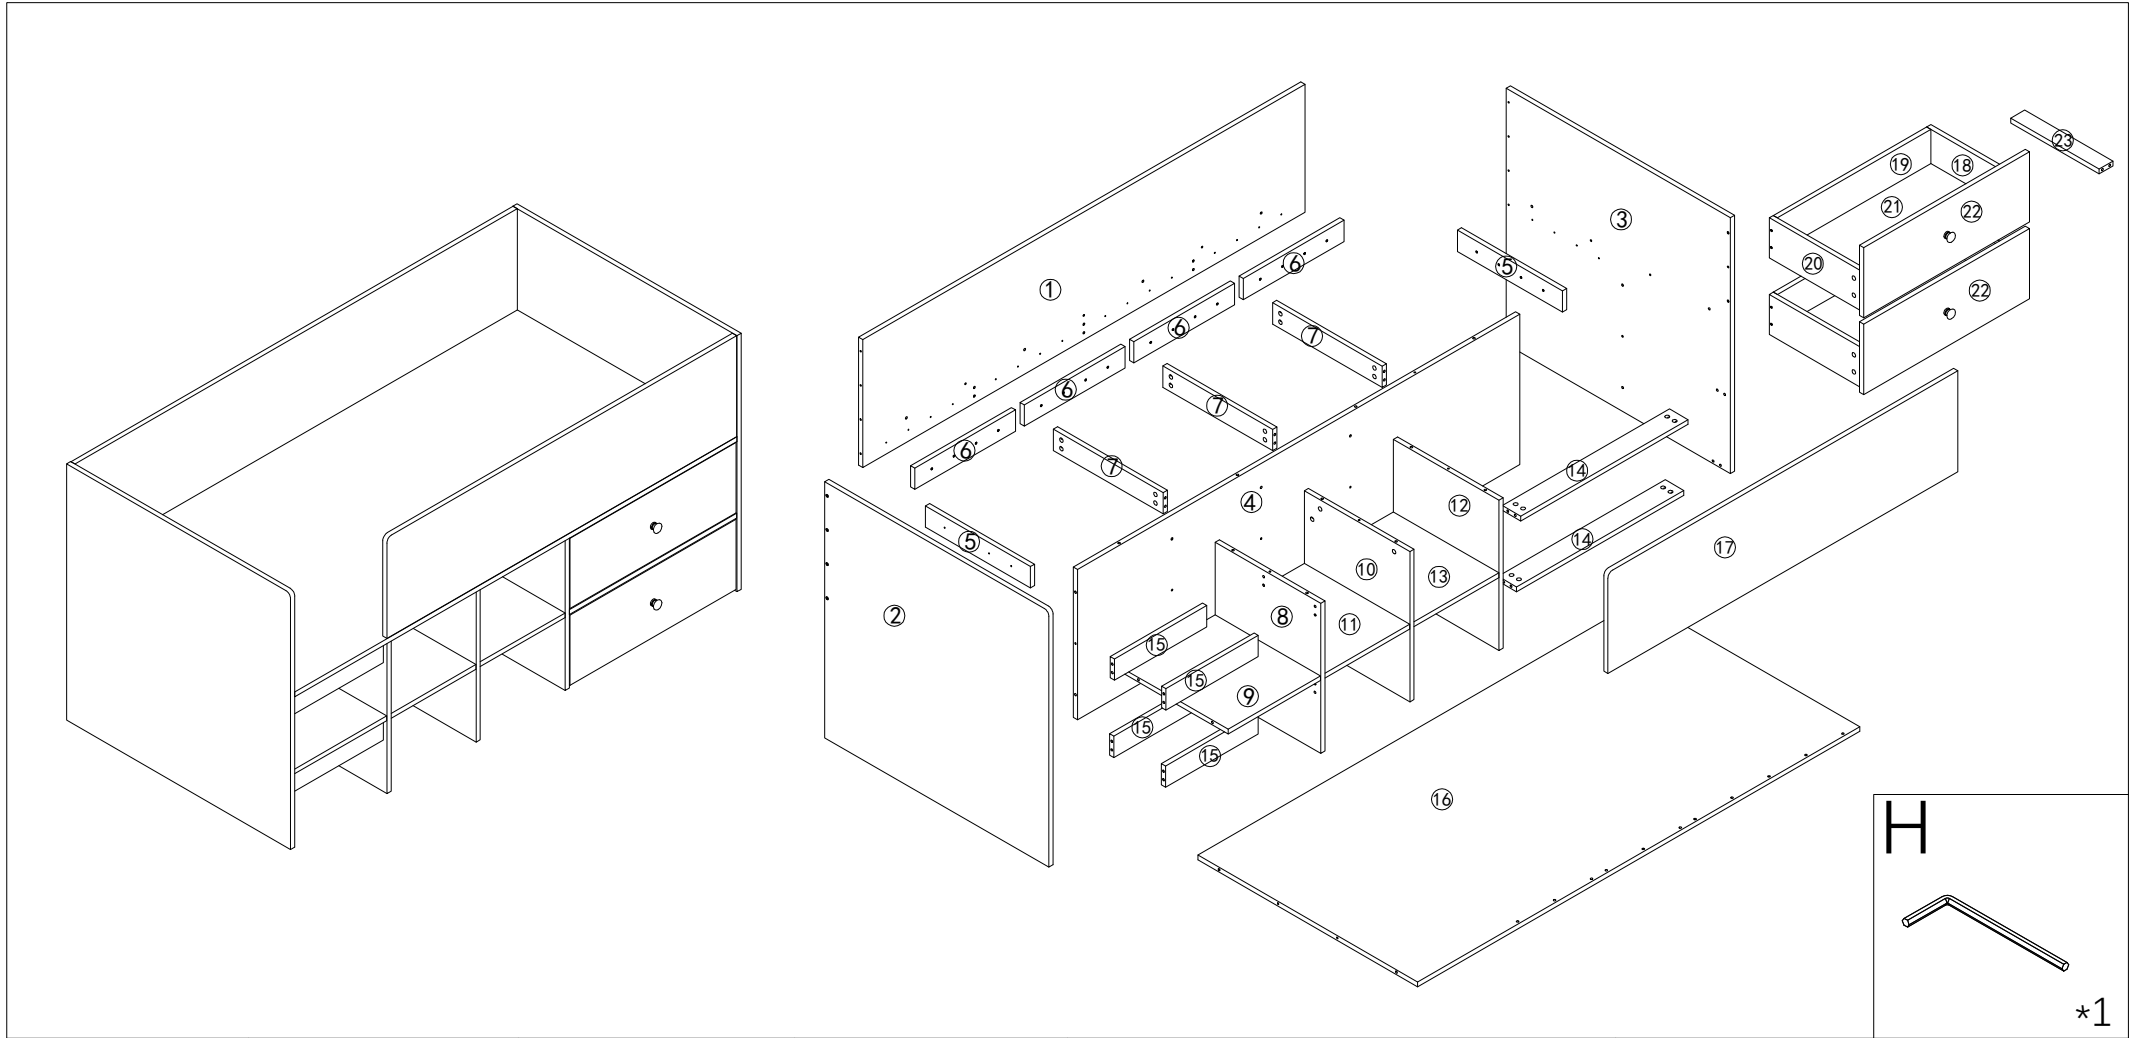

Point 2: After you have checked all relevant parts and fittings quantities are correct,you would better put all metal fittings and other accessories concentration into one place, such as put into a utensil in case of missing any small fittings in assembling process.

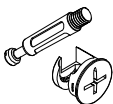

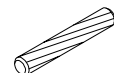

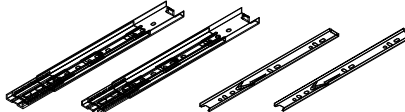

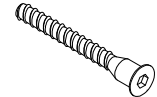

Point 3: To ensure an easier assembly, we strongly advise that all fittings are only finger-tightened during initial assembly phase. Only upon completion of the assembly should all fixing points be fully tightened.

Point 4:We recommend a periodic check on all fixing points to make sure they remain fully tightened.

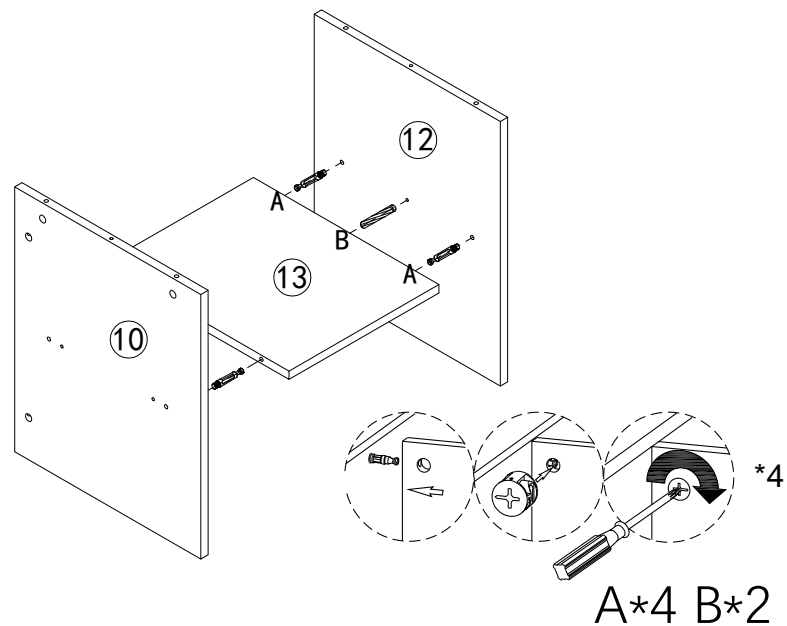

Point 5: Keep any metal fittings out of children's reach.

Point 6: Do not discard any of the packaging until you have checked that you have all the parts and the pack of fittings.

## MAINTENANCE INSTRUCTION- Lacquered or PU paper surfaces

Congratulations on your new piece of furniture. We hope you will enjoy it for many years to come and we suggest that you follow the maintenance advice to ensure a long life for your furniture.

### General instructions:

Before using the furniture please wipe with a clean, dry cloth to remove any remaining dust. To preserve the furniture's original appearance, **avoid rubbing, bumping or scratching the surface with any objects.**

### Maintenance:

On surfaces you should not use any cleaning agents, polishes or abrasives.

**If you place hot drinks, it is recommended to use mats to insulate.**

**If there are stains or water, wipe them off with dry cloth right away,** otherwise the surface appearance may be damaged;

### Cleaning:

For daily cleaning please wipe off with dry cloth.

For occasional cleaning / removal of stains/ spots you can use a soft cloth moistened with just tap water or a mild soap water(eg. dish washing liquid). After this please wipe it over right away with a dry soft cloth **as remaining moisture may leave marks.**

### NOTE:

Follow the guidelines in this user guide to ensure correct assembly and care for this product. Please use screwdriver to assemble this product.
