HOW TO USE

GREAT JOB. YOU'RE DONE!

To move the assembled unit, please lift it up and do not drag to avoid damaging the floor.

Our sofa bed can withstand a weight of up to 150 kilograms. Do not overload it beyond its weight capacity.

CARE INSTRUCTION

Follow these basic steps to protect your furniture.

Clean Gently

Vacuum regularly with a soft brush attachment and promptly blot spills with a clean cloth.
For deeper cleaning, use a gentle upholstery cleaner or seek professional services. Do not use a steam cleaner or anything with a temperature of above 30°C.

Temperature and Humidity

Avoid direct sunlight. Maintain a consistent room temperature and humidity level to prevent fabric from discoloration.

Use Furniture Pads

We recommend placing felt pad protectors under furniture legs to prevent scratches on the floors.

Avoid Excessive Weight

Don't overload the sofa bed beyond its weight capcity.

Again, we thank you for your purchase. You've made our day, and we hope you have a great one too! Enjoy your sofa bed!

For any questions, please call us at 02 8999 1118 or contact our online customer service team through our website.
